

Please do not take K-Love away from our area. I think we need to have a choice in what type of music we listen to. We only have 2-3 Christian radio stations to choose from where as other stations Pop, Rock and Tejano have many to choose from. K-Love provides a service to this community by allowing us to choose who we listen to, provide prayer and someone we can call when we need help in our lives. They are an inspiration to me and my teenage daughter. The other local Christian station does not play Christian music geared to teenagers. I would be truly disappointed if the FCC takes away this right to choose for us.
